Sr. Aileen D. Saligan, OP
School Principal
Sta. Catalina College - Biñan

Good day and blessed be God forever!

I, a senior high school student of Grade 12 - Compassion would like to ask for permission to allow me to conduct a survey among your students at the senior **high school department** about my ongoing research titled as ***“A Study on the Effect of Exposure to Brainrot-Related Short-Form Video Content and Context-Appropriate Oral Language Use Among Junior High School Students”*** as part of the requirements in **Practical Research 2**. The data to be gathered will be used solely for academic purposes, and the confidentiality and privacy of the respondents will be strictly observed.

The researcher assures you that the survey will not disrupt any regular activities and will be administered at the most convenient time for the participants. A copy of the results of the study may also be provided to your office upon completion.

Respectfully yours,
CORONEL, Jhanina V.
